Health Care

The unprecedented nature of COVID-19 requires us at **Stevens Community Medical Center** to navigate this pandemic day-by-day and hour-by-hour. Based on the guidelines set by the MDH and CDC, we are not allowing visitors at this time. In addition, we are limiting access into our building. Patients should call our hotline number at 320-349-1113 if they are concerned about COVID-19 where a nurse will ask the appropriate questions and advise on the best plan of action. SCMC has set up an area for medical screening exams (Alternate Screening Site) specifically for COVID-19 and patients are encouraged to call the hotline number before presenting to the clinic. The main entrance on South Street is where everyone should enter, with the exception for ER visits. You will be greeted at that time and screened. Symptoms we are screening for are fever, cough, sore throat, shortness of breath and other respiratory symptoms. If you are scheduled for a planned visit and you have any of these symptoms please call before you come in.

Dr. Williamson is out of the office this week but per the recommendations by the Minnesota Dental Association and the American Dental Association **Dental Depot** will be closed until March 30th. Patients are welcome to call my cell phone to ask questions and triage is available by FaceTime or viewing photos.
