Monthly donations reduce costs and creates more opportunity!

A small gift each month helps RUSC Kinship Mentoring spend more money on providing opportunities for the families and youth programs and less on administrative costs. It is an easy and affordable way for individuals to make their support go further and impact more lives. It would take less than 2% of Stevens County (that is only 135 people) to give less than \$1 a day to guarantee our organization has a future in Stevens County.

Benefits of the Monthly Giving Program

The monthly giving program benefits both the children we serve and our supporters.

Monthly gifts provide RUSC Kinship Mentoring:

- A steady and predictable source of income.
- Income acquired at substantially lower administrative costs than other fundraising methods.
- Income that will provide on-going support for youth, families, and volunteer mentors to ensure every child has access to a positive, caring adult mentor.

Mentoring in Real Life

Jeanne and Saqqara celebrated their 1 year match anniversary with the Kinship program in January 2017. They have enjoyed spending time together visiting the library, playing games, attending community events, visiting with one another and playing with Jeanne's dogs and cats! Reflecting on the past year, Saqqara's mom reports Saqqara seems happier, listens better, gets along better with friends, has a better attitude about school, and feels better about herself!

Travis and his mentors, Britney and Jared, celebrated their 1 year match anniversary with the Kinship program in December 2016. They have enjoyed spending their time together going fishing, playing games, attending community events, bowling, kayaking, and hiking. Reflecting on the past year, Travis's mom reports Travis seems happier, gets along better with friends, has a better attitude about school, seems more responsible, seems better behaved at home, and feels better about himself!

Benefits of monthly giving to our supporters:

- Monthly gifts go further to support even more mentoring relationships
- The ability to increase, decrease, or cancel your pledge whenever you wish.
- Donor status, as part of a select group of caring individuals who committed to making sure mentoring is an option for families in our community. We call these supporters "Champions for Kinship"!
- An annual statement to assist in tax preparation.

Please consider becoming a "Champion for Kinship" by making the commitment to invest \$30 a month, or a one time donation of \$360, to help us ensure every family has access to positive, caring mentors.

Surgical options for weight loss include:

- Laparoscopic Sleeve Gastrectomy
- Laparoscopic Gastric Bypass (Roux-en-Y)
