Announcements:

- **Pay It Forward Stevens County** is a non-profit group that recognizes individuals who have, through their volunteerism, made a positive impact on the lives of others in the community. **Nominations can come from anyone**, and the **Pay It Forward** group reviews the nominations on a monthly basis to pick one person who best exemplifies paying it forward. **Pay It Forward Stevens County** is sponsored by **Morris Pizza Ranch, Morris Sun Tribune, Bank of the West, West Central Screen and Print, the Regional Fitness Center, Superior Industries and Hancock Concrete, Stevens Community Medical Center, KMRS/KKOK Radio Stations and Shear Designs**. Nominations can be dropped off at any of the participating businesses.
- **Calling All Crafters!** October was Domestic Violence Awareness Month and Someplace Safe needs your help to raise awareness and funds for next year's Day of Purple Campaign. **The Day of Purple** is a day to stand in solidarity with victims of domestic violence by wearing purple. We need your help to **knit, crochet, sew, or craft purple scarves for local businesses to sell in advance of next year's Day of Purple**. If local crafters donate the scarves, and local businesses sell them, you will be supporting our local Someplace Safe office, which serves local victims of domestic violence, sexual assault, and other crimes. Scarves can be dropped off at the **Someplace Safe Advocacy Office (206 Atlantic Ave)** or the **Someplace Safe Thrift Store (708 Atlantic Ave)** throughout the year. Contact Lisa at lisa.t@someplacesafe.info or [320-589-3208](tel:320-589-3208) with questions. Thank you for your support!

Upcoming Events:

Dr. Tallaksen is working with crop and livestock researchers to perform life cycle assessments of the agricultural systems at the WCROC. He will discuss what life cycle assessment is, why farmers should understand the principles, how the research is performed, and some of the early findings related to crop and livestock systems. The linkage between soil science and lifecycle assessment will also be discussed. The public is invited to attend this **FREE** seminar.
- On **Wednesday, December 7th** from **9-11 a.m.**, **Someplace Safe** will host an **Open House**. Coffee will be served. Someplace Safe is located at **206 Atlantic Ave.** in Morris.
- On **Sunday, December 11th** at **4:30 p.m.** join **Pomme de Terre Foods** for our monthly **Potluck** on a special day and time in the **southside section of the store** at **511 Oregon Avenue** in Morris. From The Creators of “Shrek” comes the most smart, funny, irreverent animated comedy of the year, “Trolls.” This holiday season, enter a colorful, wondrous world populated by hilariously unforgettable characters and discover the story of the overly optimistic Trolls, with a constant song on their lips, and the comically pessimistic Bergens, who are only happy when they have trolls in their stomach. Featuring original music from Justin Timberlake, and soon-to-be classic mash-ups of songs from other popular artists. Dreamworks “Trolls” is a fresh, broad comedy filled with music, heart and hair-raising adventures. In November of 2016, nothing can prepare you for our new Troll world. Rated PG, 92 minutes.

Doctor Strange

Sunday 4:30PM & 9PM

Marvel’s “Doctor Strange” follows the story of the talented neurosurgeon Doctor Stephen Strange who, after a tragic car accident, must put ego aside and learn the secrets of a hidden world of mysticism and alternate dimensions. Based in New York City’s Greenwich Village, Doctor Strange must act as an intermediary between the real world and what lies beyond, utilizing a vast array of metaphysical abilities and artifacts to protect the Marvel Cinematic Universe. Rated PG-13, 115 minutes.

See you at the movies!
