We have a Logo...We have Barn Quilts...We have a Barn Quilt Trail!

The Stevens County Barn Quilt Trail launched on August 1, 2018. There are 24 barn quilts of various size displayed at 14 locations across Stevens County. They are on barns, houses, sheds, fence post, even a windmill. Some are designed or painted by the barn quilt owner.

The location of the Barn Quilts can be found by downloading a map and brochure at www.stevenshistorymuseum.com/barn-quilts. A limited number of hard copies are also available at the Morris Area Chamber of Commerce.

These barn quilts will be permanently displayed for at least 5 years. You are welcome to take pictures but please do not enter onto private property unless noted otherwise in the brochure. Some owners invite you onto their property for a close up look at the quilts.
