THEIR NOW IS OUR FUTURE

NO SMALL MATTER

DOCUMENTARY AND GROUP DISCUSSION

This documentary is the first to explore the most overlooked, underestimated, and powerful force for change in America today: early childhood education. The film reveals how our failure to act on the importance of the first five years of life has resulted in an everyday crisis for American families and a slow-motion catastrophe for the country.

Join us for a viewing and short discussion of this important topic on one of the following:

Date: Monday, February 3rd

Time: 11:30 a.m. to 1:00 p.m.- Lunch will be provided

Location: Old #1 Southside, 412 S Atlantic Ave
