## **Jumanji: Welcome to the Jungle**

**Monday- Thursday 7PM**

**Friday & Saturday 7PM & 9:10PM**

**Sunday 2PM & 7PM**

In a brand new Jumanji adventure, four high school kids discover an old video game console and are drawn into the game's jungle setting, literally becoming the adult avatars they chose. What they discover is that you don't just play Jumanji, you must survive it. To beat the game and return to the real world, they'll have to go on the most dangerous adventure of their lives, discover what Alan Parrish left 20 years ago, and change the way they think about themselves—or they'll be stuck in the game forever, to be played by others without a break. Rated PG-13, 119 minutes.

**See you at the movies!**
